Eco-Fit Challenge

A one of a kind event, the Michigan City Eco-Fit Challenge will give participants the chance to run, paddle and spike into the sunset. This very unique and exciting event includes the following combined races:

- Inaugural **Michigan City Run & Kayak Biathlon** - Run & Kayak
- Inaugural **Michigan City Crazy Tri** - Run, Kayak & Volleyball

Participants who do not want to compete in the combined races have the option to participate in any of the following individual events:

- 16th Annual **Tower Run** - Run or Walk
- Inaugural **Ride the Wave Regatta** - Kayak or Canoe
- Inaugural **Spike to Sunset** - Beach Volleyball Tournament

Goals

- encourage and promote personal wellness;
- promote the environment and eco-friendly activities;
- support education in the Michigan City area.

Proceeds

Proceeds benefit the Tower of Excellence Student Education Support Grants. These grants provide financial assistance for classroom projects designed by teachers and students in the public and private schools of the Michigan City area. Additional monies received from the **Inaugural Michigan City Ride & Kayak Biathlon** and **Crazy Tri** will be used to award grants for classroom projects that promote the Trail Creek Watershed and environment.

Event Organizers

Tower, a local nonprofit organization, the Trail Creek Watershed Committee and the producers of the EVP National Tour have teamed up to create this very unique and exciting event for the Michigan City area.

Promotion

The **Tower Run** is a chosen race in one of the most prestigious race circuits in the area comprising 26 officially designated races, including the Chicago Marathon.

The **Ride the Wave Regatta** is an official exhibition race on the Indiana Division of the United States Canoe Association 2008 Race Schedule. Cross promotion has been coordinated with the Friends of the Chicago River's annual event, the Chicago Flat Water Classic.

The **Spike to Sunset Beach Volleyball Tournament** is supported by the producers of the EVP National Tour. They are a select group of volleyball professionals from across the country. These members bring a wealth of opportunities in grassroots marketing and value to sponsors.

All Eco-Fit races are listed on official sports websites, magazines and advertised through regional and national race circuits.

Financial Sponsorship

Monetary donations are critical to keep costs down and to produce a quality event that our community can be proud of. You, your organization or business can feel good that your donation will support our community, specifically education and the environment!

Acknowledgements are subject to signed contract and remittance of half payment of sponsorship by August 1, 2008, unless otherwise noted.
